Medical Research

ANU College of
**Medicine, Biology
& Environment**

EMBL
Australia

Hear how European Molecular Biology Laboratory (EMBL) Australia researchers are contributing to Australia's research output. This is a great opportunity for early career researchers to come and hear internationally recognised stars.

Speakers include:

Associate Professor Ville-Petteri Mäkinen

EMBL Australia Group Leader, South Australia Health and Medical Research Institute

Dr Edwina McGlinn

EMBL Australia Group Leader, Australian Regenerative Medicine Institute, Monash University

Dr Maté Biro

EMBL Australia NSW Node, Single Molecule Science and ARC Centre of Excellence in Advanced Molecular Imaging, University of New South Wales

Professor Thomas Preiss

EMBL Australia Collaborating Group Leader, The John Curtin School of Medical Research, ANU

Dr Chen Davidovich

EMBL Australia Group Leader, Department of Biochemistry and Molecular Biology, School of Biomedical Sciences, and ARC Centre of Excellence in Advanced Molecular Imaging, Monash University

Professor Michael Parker

EMBL Alumnus, St Vincent's Institute of Medical Research and University of Melbourne
